**Team Teletherapie Stottern**

has successfully participated in the

**German EIT Health SHIP**

9 August 2016 in Heidelberg, Germany.

A handwritten signature in blue ink, appearing to read 'Armin Pscherer', written over a horizontal line.

Armin Pscherer

CEO German EIT Health GmbH

The German EIT Health SHIP Pitch Event has been organised by German EIT Health GmbH.

German EIT Health SHIP is part of EIT Health Business Plan Aggregator. This unique event invites micro and small enterprises (< 50 employees), spin-offs and start-ups to compete for the best business ideas in medtech, biotech and digital health.

The winner of each category will be invited to the international the EIT Health Innovation Summit in Barcelona for a "Best of the Best" competition.
